WHAT SHAMSA SALEH AND JACQUELINE FRANJOU SAID AT THE PRESS CONFERENCE -----

Jacqueline Franjou to Shamsa and the audience: My dear Shamsa, thank you for the greetings. Now for one year, we know each other as we spent a lots of time. In 2012, we were receiving you at the Wand me and my team, built upon confidence and warmth and friendly relationship, between us. Now we need energy especially because WF is the "Energise the world" edition. The foreign delegations of South Africa, Mauritius, Tunisia and yourself, are being part of the 70 countries as speakers and participating to this 11th edition of the WF. We, the organisers of WF and including these delegations said that they want to come to Dubai for the next WF in February 2016. I know h=you have attended CEO's champion session, I had myself to attend 3 lunches at the same time, with the South African delegation (They have signed with WF and they are going to the WF in Dubai. Then I went to the Tunisian lunch and the Tunisian delegation is also planning to be in Dubai next WF on February. So time is there to construct. what we had experience form Milan, we would like ti build this together with you for the next generations in education, it is important and I'm convinced that you will innovate in Dubai for a longtime. "

Shamsa Saleh to Jacqueline Franjou and the audience : "Thank you Jacqueline for offering to be part of the next Womens Forum as co-organiser in Dubai. It os the first time that WF will be held in North Africa (Tunisia in September 2016) and Middle East in Dubai. We intend to building on the theme "Let's Innovate" on Womens Forum Dubai and focus on what innovation really means. Discussions and workshops will move beyond the usual expectations for and reservations about technology to address what part tradition can play in innovation as well as the sustainable role of women."-----

-----Shamsa Saleh continues : "In Middle East we are led by innovative actions. This is how, we can inspire people in Dubai that is full of innovation, technology, education, all turned to social and personal and these orientations matter for our government.-----

Next year under the patronage of Vice President of United Arab Emirates, HH Sheikh Bin Rashid Al Makhtoum, we are proud to contribute the growth and empowerment of Dubai, through women's actions. We have developed recharging 5 areas which are

Achieving, Creating, Sustainable Development, Health and Education. This is why we are ranked first in equity gender thanks to the encouraging action of our government, and our Prime Minister. We are definitely changing to styling“[?] confused Shamsa Saleh.
